Accessibility Statements

On our website, you will find our company accessibility statement: https://www.readspeaker.com/accessibility-statement/.

WCAG stands for Web Content Accessibility Guidelines. For the products within ReadSpeaker for LMSs (ReadSpeaker webReader, ReadSpeaker docReader, and ReadSpeaker TextAid), we have WCAG 2.2 AA Compliance Statements that can be found on the webpages for each product.

VPAT stands for Voluntary Product Accessibility Template. A VPAT statement is required of US institutions for tools used. VPAT statements for our products are available on our website and demonstrate our commitment to the highest quality standards for online accessibility of [W3C](). [WebAim.org]() is a site we recommend to find out more about online accessibility.
